“Finding the Balance” Student Organizer

	What are the most desirable cattle traits for you?	Will you crossbreed some or all of your Ankoles with Holsteins? Why?	If you do crossbreed, will you stop at one generation of hybridization (i.e. breeding your hybrids to other hybrids), or continue crossbreeding to erase or amplify certain traits? Why?	What are the compromises of your plan? What does it risk?
Nomadic cattle herders				
Settled dairy farmers				
Settled cattle ranchers				
Wealthy large-scale ranchers
