# KING CORN

By Aaron Woolf, Curt Ellis and Ian Cheney

Have you been wondering why Americans are so overweight? Or why certain foods are so cheap? Have you heard our average life expectancy is headed down, not up? Two college friends set out with director Aaron Woolf in search of answers to these questions and were surprised by what they discovered. You will be too, as this film follows a crop of corn from seed to your dinner plate.

**KING CORN WILL AIR NATIONALLY ON THE EMMY AWARD-WINNING PBS SERIES  
INDEPENDENT LENS ON APRIL 15, 2008 AT 10 PM. CHECK LOCAL LISTINGS.**

Visit the *Independent Lens* website to learn more about KING CORN. Use clips from the film to mix it up, make a statement and declare your independence – with the Filmocracy mash-up tool. Share your thoughts about KING CORN in Talkback – online at [pbs.org/independentlens/kingcorn](http://pbs.org/independentlens/kingcorn).

King Corn is a co-production of Mosaic Films, Incorporated and the Independent Television Service (ITVS), with funding provided by the Corporation for Public Broadcasting (CPB). The Emmy Award-winning series *Independent Lens* is jointly curated by ITVS and PBS and is funded by the Corporation for Public Broadcasting (CPB) with additional funding provided by PBS and the National Endowment for the Arts.
