PlanetWORK 1

(Making the Planet Work)

Friday, Aug. 31, 9pm EDT

Host Will Durst introduces us to planet pioneers taking whatever steps they can to tackle the toughest challenges of world wide work.

PlanetWORK 2

(Working the Planet)

Friday, Sep. 7, 9pm EDT

Like it or not, most people's work lives are effected by globalization—in ways that we're just beginning to see. This show explores how the culture of our everyday work lives is shifting, from culture to language to time zone.
