

Past Periods of Restrictions

Use this note sheet to gather the information you will need.

Identify the time period:			
Tips: <ul style="list-style-type: none">• Be specific in taking notes.• Look for examples that you can use to explain what happened.• Don't use today's standards of behavior to judge the past. Instead, try to understand the motives of the people about whom you are reading.	Describe the threat that prompted the restriction:	Identify which liberty(-ies) was/were restricted:	
What was the reason given for the restriction:		Describe any relevant court decisions:	
What do we now think? In other words, has the government changed its mind about the appropriateness of the action it took?
