

## Monologue Planner

**Directions:** Use this sheet as a guide to help you develop your monologue.

On which family member is your monologue based?

How is this person related to you?

Is your relative living or deceased?

Do or did you know him or her personally? If so, how well?

What courageous act did this person commit that you learned about?

How would you describe this act of bravery to someone else?

What do you think this story says about this person?

How do these stories connect with your experiences with and memories of this person and what else you know about him or her?

What are this person's mannerisms and manner of speech as you know, remember or imagine them? Any favorite terms or phrases? How about body language and hand gestures?
