Newspaper Article Planner

**Directions:** Use this sheet to develop ideas for your newspaper article.

Check one:
- Community newspaper
- Internment camp newspaper

Article topic:

Article type (ex. news, feature, opinion, etc.):

What should the reader learn from the article?

Who should you “interview” and feature in your article?

How can you find factual information to use in your article? What information do you need?

What photo or image can you include to give the article some visual interest? What will the headline be?
