

Reactions to Dylan and Newport, 1965

Directions: Use this sheet to take notes as you read various reactions to Dylan's transformation from folk-hero to rock-and-roll star. Consider the following questions as you look at each source:

- Who is writing this piece?
- Did they approve or disapprove of Dylan plugging in?
- What reasons do they cite?

Positive Reactions	Negative Reactions
 A detailed illustration of a Fender Telecaster electric guitar, shown in a three-quarter view. The guitar has a light-colored body with a dark pickguard and a maple neck. The Fender logo is visible on the headstock. The guitar is positioned diagonally across the page, overlapping the two columns of the table.	

Make a hypothesis: Why do you think Dylan's performance at Newport in 1965 affected so many people?
