

MAKE YOUR OWN "BUDDY" COSTUME SIMPLE NON-SEWING OPTION

What you will need:

- Orange sweat suit (sweat pants and hoodie)
- Blue felt (or fleece)
- Large piece of orange felt (or fleece)

Instructions:

- 1) Measure from your child's waist to knee. This will be the length of Buddy's tail. Using the orange felt, cut a large isosceles (long) triangle for the tail. Use hot glue (or stitch) to secure the tail piece to the back bottom edge of the hoodie.
- 2) Print the diamond shapes here. Trace and cut the diamond shapes from the blue felt. (You will need 3 large diamonds, 5 medium diamonds and 4 small diamonds). These will be Buddy's stripes.
- 3) Hot glue (or stitch) the diamonds horizontally centered down Buddy's back in this order:
 - Beginning at the front of the hood and to the nape of the neck : small, medium, large, medium, medium, small
 - Down the back of the hoodie, from top to bottom: small, medium, large
 - Down the tail, from base to tip: large, medium, small

Add your most convincing Buddy roar and you are ready to board the Dinosaur Train!
All aboard!
